

MERBL

To Whom It May Concern,

My name is Mike Kamp. I am representing the “Metro East Recreational Baseball League.” You can check us out at “MERBL.org.” MERBL is a recreational baseball program, providing opportunities for 7th & 8th grade, through high school age players.

Our main focus, in the past, has been the “high school age players.” This is the age group that, historically, tends to be forgotten, beyond the 8th grade. We are now focusing on the 7th & 8th grade players as well. This effort helps both age groups and strengthens the MERBL program.

The CRBL (Collinsville Recreational Baseball League) is the Collinsville entry in MERBL. Of the 32 teams playing in the 2017 summer program, five were CRBL teams. Teams from Maryville, Troy, O’Fallon, Belleville, Dupo, East St. Louis, Edwardsville and Valmeyer visited Collinsville during our summer season.

During our “Fall Ball” season, we had 9 teams based in Collinsville, with additional teams, from the extended season, visiting from Mascoutah, Millstadt, Okawville and Steeleville. For the combined, summer and fall seasons, we had about 750 individual players plus family members and friends visiting Collinsville.

I would like to offer you a few options for advertising your business, or your good name. Obviously, we need your support to help keep the costs manageable. I feel you would benefit, as well.
