MERBL thanks everyone that supported our program through their participation in our  
"Rural King" raffle.

Thanks to your participation we were able to cover the costs of the 2021 Middle & High  
School All-Star Games.

## FOOD PANTRY DONATIONS

Thanks to everyone's generous donations, MERBL had our best year. Although we were not allowed (because of COVID protocol) to get our donation weighed, I am certain this was a 400+ pound contribution.

MERBL appreciates all of our coaches & families and we wish everyone a great offseason.

This is a sample photo of the various 24/7 food pick up & drop off sites located throughout the Collinsville area at the time of our MERBL food drive.

See you soon,

Mike Kamp
